

AMENDMENTS

IN THE SPECIFICATION:

Please substitute the attached specification for the specification presently on file.

It is submitted that no new matter was introduced by the substitute specification.

Please replace the paragraph that begins on Page 3, line 6 with the following paragraph.

A support (7) which may be affixed to any bar on the side or front part of either side of a wheelchair (8), makes it possible for the player to have both hands free so that his upper limbs may be used to perform any type of movement with the wheelchair.
